

## Audubon in the Schools \*

Audubon in the Schools partner with 4th graders at Beaufort and Port Royal Elementary Schools to introduce students to Low Country wildlife with a focus on birds and birding.

- Owl Presentation by Leila Arnold of Low Country Raptors
- Owl pellet discussion/dissection led by teaching staff w/Audubon Club volunteers
- Holiday Crafts with bird themes
- **March 17**, Birds of Prey presentation by Stephen Schabel, The Avian Conservation Center/The Center for the Birds of Prey
- **April or May**, A visit to the Cypress Wetlands in Port Royal to focus on wading birds. The Fripp Nature Center brings alligators, snakes and turtles for the students to experience.
